Kangen Water™
30 Day Trial

The 30 Day trial is designed to help you decide whether purchasing an Enagic water ionizer is right for you. It is **FREE of CHARGE** and there is **NO OBLIGATION** to purchase anything. It will help you see what Kangen Water™ can do for you.

Our Commitment to You:

1. Free Kangen Water™ for 30 days.
2. No Obligation to purchase and no Sales Pitch.

Your Commitment to Us:

1. Drink a minimum of ½ your body weight in ounces each day.
2. Come and get fresh water every few days as needed.
3. Try to drink up to 1 ounce of water per pound of body weight during the trial.

Your Daily Goal = Your Body Weight _____ ÷ 2 = ____ Ounces or ____ Quarts

Important Information on drinking Kangen Water™:

1. Detoxifying Symptoms vary from individual to individual and may or may not occur depending on how alkaline or acidic your system is. It is recommended to start drinking the 8.5 pH Kangen Water™ for the first two weeks before going to 9.0 pH and finally to 9.5 pH water after three to four weeks.

2. If you are taking medication, you must drink regular "clean" water just before and 30 minutes after taking your medication due to the effects of the micro-clustering of the water and how it will magnify the effects of your medication.

3. If you have Kangen Water™ that has been in a bottle for more than 7 days, please discard and replenish your bottles with fresh Kangen Water™ due to the possibility of bacteria growth in the water.
